ERRATUM

Released: September 20, 2004

By the Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

On August 13, 2004, the Fifth Report and Order and Order in CC Docket No. 02-6 (FCC 04-190) was released adopting measures to protect against waste, fraud, and abuse in the administration of the schools and libraries universal service support mechanism (also known as the E-rate program). In particular, the Commission resolved a number of issues that have arisen from audit activities conducted as part of ongoing oversight over the administration of the universal service fund, and the Commission addressed programmatic concerns raised by our Office of Inspector General. This erratum corrects the following error in the released document:

On page 41, in the Appendix B Final Rules section, the first sentence of paragraph 3 should be corrected to read as follows: 3. Part 54, Subpart F is further amended by adding section 54.504(h) to read as follows:

(h) *Filing of FCC Form 473.*
